Adding Flavour to Your Stories...

BY
ABUNDANT TREE

We created the Talanoa logo as the visual cornerstone of our brand identity, embodying our values of open hearts, respect, humor, and love. The design features a branch shape, symbolizing growth and abundance, with Talanoa as the largest, most prominent branch.

This signifies our diverse and enriching experience. We gave it a quirky look to convey a sense of freedom and joy, inviting guests to come and forget their worries, ensuring a memorable and fun experience. The blend of classic and playful typography enhances the logo's sophisticated yet carefree spirit.
