Mr. Vinod Sachdeva, Chairman

A family that stitches together, stays together. My vision is simple: to serve our customers better, to always be relevant in their lives and to form lifelong relationships. And while serving our customers face-to-face is the foundation and hallmark of how we've historically served them.

**Hallmark Suits The Legacy Of Excellent Hardship
And Finesse In Men's Clothing Since 1989**

A pioneer in men's fashion as the second national brand to venture into creating readymade men's suits. Initiated as an in-house label for their retail chain, Hallmark Suits was the brainchild of Sh. Vinod Sachdeva. Emerging as one of the first few to start the branded designer line for men, his ambition turned it into one of the most renowned national brands in menswear, specializing in ethnic and ceremonial apparels, bagging multiple awards for entrepreneurship and quality.
